Confirmation of Motor Vehicle Block Exemption Regulation 461/2010 in conjunction with Supplementary Guidelines, Articles (19) and (20)

MANN-FILTER brand products are at least of an equivalent quality parts within the meaning of Motor Vehicle Block Exemption Regulation 461/2010 and Supplementary Guidelines Articles (19) and (20).

Their use does not compromise the reputation of the network's authorised workshops. In addition, MANN-FILTER brand products fulfil requirements for use in authorised workshops for maintenance and repair purposes.

Yours faithfully,

Per MANN+HUMMEL Italia Srl
